

## App Lab Game

Create a small game app of your choosing. It can be any game you want but must include the following:

- A label with the name
- A start button
- Keep score
- Use either the space bar or arrows to play
- A quick explanation of how to play
- Save the game with your last name

**Hint: Use the Bounce app, Poke the Pig app and Simon Game app as a guide.**

You can also use the following link for more help.
