

Build Your Personal Website

Your Website should be about you and any topic or hobbies that you are interested in. However, it must be student and school appropriate. Inappropriate websites will be deleted and earn a zero. Your website should have the following:

1. At least three pages. A main page or homepage and two other pages.
2. Relevant text in all three pages. Two or three paragraphs in each page.
3. Relevant pictures and graphics in at least two of the three pages
4. Different page titles
5. Different web page titles (No Untitled)
6. Text with different color
7. Text with different size
8. Text with different formatting
9. Hyperlink from one page to another (Back and Forth)
10. Hyperlink to outside website (At least one)
11. Nice layout of all the information
12. Properly formatted.
13. Aesthetically pleasing

MY WORK

ABOUT ME

LET'S TALK

[about](#) [featured](#) [portfolio](#) [blog](#) [contact](#)

about me

I'm a UX/UI Designer and Front End Developer from Sydney, Australia.

I enjoy turning complex problems into simple, beautiful and intuitive interface designs. When I'm not coding or pushing pixels, you'll find me in the gym or on the court shooting hoops.
