

Furnishing Your Apartment

You've rented this unfurnished apartment. It has a living room, one bedroom and a kitchen with a dining area. You have a \$4,500 budget to furnish the apartment.

1. Choose the furnishings from page 2 that you would like to buy and list them in the space provided below. Remember to stay within your budget (including a 6% sales tax).
2. Use the floor plan to sketch the way you would arrange the furniture in the apartment.
