

Final Project SIM: Steps to get started.

1. Get an apartment
2. Get a bank account and deposit **all** your money (\$5,000) in your bank account.
3. Get a job and choose direct deposit (**Your apartment should be closer to your job**)
4. I recommend you work full-time **Mon -Fri** and go to school on Weekend (**Sat-Sun**)
5. Keep the message box open
6. Pay bills
7. Buy food
8. Buy bus token
9. Set up your schedule (see example provided.) Yours may be different.
10. To increase your earnings, you will need to go to school and earn a higher degree.
11. In order to increase your health level:
 - You need to sleep (buy a bed or futon)
 - You need to eat (buy food)
 - You need to exercise (buy an exercise machine)
 - You need to relax (buy a couch)

To file your taxes:

1. Open the Pay and Tax Records window
2. Choose W2
3. Choose the correct year
4. Follow the steps and enter the correct amounts in the form 1040EZ
5. See the Filing your Taxes example

- Feb 28 2016 - 12:00AM
It's near the end of the month. Keep an eye out for new bills on your desk.

Final Project SIM: Steps to get started.

The screenshot displays a web browser window titled "Virtual Business - Personal Finance : New Career Project - Internet Explorer" with the URL <https://vbcourse4.knowledgematters.com/sim/load/3823034>. The interface includes a top navigation bar with "Health", "Wealth", and "Legend" icons, and a status bar showing "TIME: 2:26 AM" and "DATE: Thu Mar 24 2033".

Two dialog boxes are open:

- Change Activity:** Features two time selection columns. The "Start Time" column has 8:00AM selected, and the "End Time" column has 4:00PM selected. Below the columns is a "Stop Doing This Activity" button and a "Change:" section with links for "Withholding", "Payment", and "401K". "OK" and "Cancel" buttons are at the bottom.
- Method Of Pay:** Shows radio buttons for "Pay by Check" and "Direct Deposit" (which is selected). Below is a "Bank Account:" dropdown menu showing "Checking HSN Bank #..." and an "OK" button.

The main "Schedule" view is divided into "Weekday" and "Weekend" columns, each with a vertical timeline from 12:00 AM to 11:00 PM. Activities are represented by colored blocks:

- Weekday:** Sleep (12:00 AM - 4:00 AM), Exercise (4:00 AM - 5:00 AM), Relax (5:00 AM - 6:00 AM), Eat (6:00 AM - 7:00 AM), Work (7:00 AM - 11:00 PM).
- Weekend:** Sleep (12:00 AM - 6:00 AM), Relax (6:00 AM - 7:00 AM), Eat (7:00 AM - 8:00 AM), Exercise (8:00 AM - 9:00 AM), Work (9:00 AM - 11:00 PM).

Below the schedule, there are buttons for "Add time to:", "Est. Travel Time", "Change Travel Mode", and "Close". At the bottom left, the "Net Worth: \$568,602" and "Health: 81%" are displayed, along with icons for "616 meals" and "519 tokens". The Windows taskbar is visible at the very bottom.
