

Pizza Crust Button Code

1. First Right Click on your Radio Button
2. Choose Add Event handler--->Action--->ActionPerformed

Modify the code to look like the one below.

```
JRadioButton rdbtnThin = new JRadioButton("Thin");
buttonGroup.add(rdbtnThin);
rdbtnThin.addActionListener(new ActionListener() {
    public void actionPerformed(ActionEvent arg0) {

        Crust = "Thin";
    }
});
rdbtnThin.setBounds(123, 275, 54, 23);
contentPane.add(rdbtnThin);

JRadioButton rdbtnMedium = new JRadioButton("Medium");
buttonGroup.add(rdbtnMedium);
rdbtnMedium.addActionListener(new ActionListener() {
    public void actionPerformed(ActionEvent e) {

        Crust = "Medium";
    }
});
rdbtnMedium.setBounds(179, 275, 71, 23);
contentPane.add(rdbtnMedium);

JRadioButton rdbtnThick = new JRadioButton("Thick");
buttonGroup.add(rdbtnThick);
rdbtnThick.addActionListener(new ActionListener() {
    public void actionPerformed(ActionEvent e) {

        Crust = "Thick";
    }
});
rdbtnThick.setBounds(252, 275, 63, 23);
contentPane.add(rdbtnThick);
```
