

Two Users Registration Form.

- Right-Click choose New --- Other---- Application Window Call your file **Registration2Users**
- Drop the Card Layout on top of the Main Content Pane
- Create three JPanels (use absolute layout)
 - user1
 - user2
 - panelResult

Step 1: Create a registration form similar to this one (User 1). Create a Next and Reset buttons that will take you to a new window (Step 2: User 2.)

The screenshot shows a Java Swing window titled "User 1" with a registration form. The form includes the following fields and controls:

- First Name: Text input field
- Last Name: Text input field
- Date of Birth: A dropdown menu for "Month", a spinner for "1", and a dropdown menu for "Year".
- Email Address: Text input field
- Street Number: Text input field
- Street Name: Text input field
- City: Text input field
- State: Dropdown menu
- Zip: Text input field
- Buttons: "Reset" and "Next"

Red arrows point from a box labeled "JSpinners" to the spinner and dropdown menus in the Date of Birth and State fields.

Month	Year	State
January	2000	Alabama
February	2001	Alaska
March	2002	Arizona
April	2003	Arkansas
May	2004	California
June	2005	Colorado
July	2006	Connecticut
August	2007	Delaware
September	2008	Florida
October	2009	Georgia
November	2010	Hawaii
December	2011	Idaho
	2012	Illinois

Red arrows point from a box labeled "Use with JSpinners" to the "Year" and "State" columns of the table.

Step 2: Create a second registration form similar to this one (User 2). Create a Back button, a Submit button and a Reset Button.

The screenshot shows a window titled "User 2" with a registration form. The form contains the following fields and controls:

- First Name:
- Last Name:
- Date of Birth: Month (dropdown), 1 (spin box), Year (dropdown)
- Email Address:
- Street Number:
- Street Name:
- City:
- State: State (dropdown)
- Zip:

At the bottom of the form are three buttons: Back, Reset, and Submit.

Step 3: Create a third form (see below) that will show the information entered by the two users. Create an Exit Button.

The screenshot shows a window titled "Here is Your Registration Info" displaying the registration information for two users. The information is organized into two columns: User One and User Two. The fields are as follows:

	User One	User Two
First Name	<input type="text"/>	<input type="text"/>
Last Name	<input type="text"/>	<input type="text"/>
Date of Birth	<input type="text"/>	<input type="text"/>
Email Address	<input type="text"/>	<input type="text"/>
Street Number	<input type="text"/>	<input type="text"/>
Street Name	<input type="text"/>	<input type="text"/>
City	<input type="text"/>	<input type="text"/>
State	<input type="text"/>	<input type="text"/>
Zip	<input type="text"/>	<input type="text"/>

At the bottom of the form are two buttons: Back and Exit.
