Array List Practice 1 — Artist List

- Create a class called SingerList.

- Create an Array List called Artists.

- Use the Add method to add five artists to the list
  - Bob Marley
  - Michael Jackson
  - Stevie Wonder
  - Rod Stewart
  - Billie Holiday

- Remove singer in Index 1

- Replace the artist in index 2 with the new name "Ray Charles"

- Print only Index (0), (2), and (4)

```
(Use this code to replace
Artists.set(Index number, "New name");
```
